

DIGITAL WORKFLOW: DIGITAL IMPRESSIONS

sent to the dental lab where models & indirect frameworks are digitally designed with the

LavaTM Chairside Oral Scanner C.O.S.

May 29th, 2009 @ Dockstader Milling Center

The program will include a morning lecture 9am to 12pm & live patient scans at Richard Johnson DDS's office from 1pm to 5pm. This lecture will be presented by a Professional Dental Team; Darwin Lum, DDS, Maribel Wilson, RDA, and Dennis Ouye, CDT of LDL Designs Inc. LDL Designs has 75% of their business Digital Today! The presentation will provide a comprehensive overview of the clinical experience. Participants in the program will be given an opportunity to bring a patient to be scanned for a complimentary LAVA Crown. This offer will be a limited offer! For more info: Contact Rob Bausman @ 800.433.7168 or 559.439.5160

DARWIN F. LUM, DDS

Dr. Lum graduated from UCLA School of Dentistry in 1983. For 10 years he was responsible for organizing high level continuing education for the Napa Solano Dental Society. He is active in three study groups. He has been a member of the DRS Study Group in Sacramento since 1988. He has set-up and organized a local integrated team of general dentists and specialists, which have met monthly in his office since 1996. In addition in 2008, Dr. Lum became the facilitator for the Fairfield Study group mentored by Dr. Gregg Kinzer. He also hosts leadership courses in his office taught by Brian Des Roches. Dr Lum's greatest influence has been Dr. Frank Spears of the Seattle Institute and Dr. Spear's has had a strong influence on how he practices dentistry today. He is currently practicing general dentistry in his hometown of Fairfield, California.

MARIBEL WILSON, RDA

Maribel graduated from Western Career College in 1996 and earned her R.D.A. shortly after. She worked at various offices before finding her true home, working with Dr. Darwin Lum. She really enjoys the way in which Dr. Lum practices. One of her strengths is supporting the patient and Doctor in complex multidisciplinary care. Maribel also takes pleasure in extra curricular activities outside of the office. She helps organize the Gregg Kinzer Study Club in Fairfield, CA and is currently volunteering at the Scottsdale Center for the Spears Institute. She is a dedicated wife and mother of two young children. In her spare time she enjoys shopping and spending time with her friends and family.

DENNIS OUYE, CDT

Dennis Ouye, CDT, is the President of LDL Designs, Inc. a dental laboratory in Berkeley, California. As a certified technician, he lectures and conducts hands-on courses to various study groups and state associations. He has given courses with Dr. Harry Albers for dental technicians at UCSF and UOP dental schools. He has also taught ceramics a Diablo Valley College in Pleasant Hill, California. For fifteen years he published a question and answer column for the magazine LMT. Recently he lectured for the Pacific Coast Prosthodontic Society in San Francisco, California. In 2005 he was asked to be a consultant and give hands-on ceramic courses for 3M ESPE.
